

I want to express my concerns regarding the federal regulations pertaining to telephone solicitation. I do not want the federal guidelines to lessen those of my state. I signed up on the "No Call" list as soon as it became available. Instead of getting up to 6 calls a day, I don't even get that many in a week! I am thrilled and do not want to go back to the 6 a day. Please do not water down the no solicitation guidelines that Indiana has in place.
